**CONTINUING REVIEW FORM**

**DIRECTIONS FOR SUBMITTING A CONTINUING REVIEW FORM**

- This form must be submitted four weeks before the expiration date
- Request for continuation of a current approved research protocol will be reviewed at a regularly convened meeting of the IRB committee that issued the original approval unless the criteria for expedited review are met.
- Continuation forms will not be accepted for studies 60 days past the expiration date of a study; a new submission is required. Studies that are expired are lapsed in IRB approval and this is non-compliance
- Please ensure that the PI and all key personnel have completed the GCP within the last 3 years.
- Once you receive approval to conduct research, it is the PI's responsibility to gain approval to continue the research at the interval set by the IRB for your study as well as to close the study by submitting a closure form at the end of the study
- Please call us if you have any questions along the way: 9252401 loc.3899

**WHAT TO SUBMIT**

All required documents must be submitted four weeks prior to the expiration date

- o Submit one copy single-sided of the Continuation Form with original signature
- o Two clean unstamped copies, single sided, of the informed consent/assent/information sheet currently in use (if applicable)
- o 1 copy of the completed and signed original [Investigator's Progress Report](#).
- o 1 copy of the most recently approved **Consent/Assent Form**. if the study is **closed** to enrollment, do not send a consent form. if using an addendum consent form for currently enrolled participants, send 1 copy for review.
- o 1 copy of the revised consent/assent form, if applicable, with changes highlighted. Please use underlining or shading to highlight changes.
- o 1 copy of all [approved amendments/revisions](#) since their last renewal. copy of each previously submitted **Investigator's Progress Report**
- o 1 copy of any progress report/s submitted to the sponsoring/funding agency since last renewal, if applicable.

**ACTION REQUESTED:**

- Renew - New participant accrual to continue
- Renew - Enrolled participant follow up only
- Terminate - Protocol discontinued

Expiration Date \_\_\_\_\_ :

Thank you for your submission of documents for continuing review for the above mentioned study. The PHC-IERB has approved your submission. This approval is based on an appropriate risk/benefit ratio and a study design wherein the risks have been minimized. All researches/studies ~~must be~~ conducted in accordance with this approval submission.

It is the Principal Investigator's responsibility to obtain review and continued approval before the expiration date. You may not continue any research activity beyond the expiration date without IERB approval.

Failure to receive approval for continuing review before the expiration date will result in the automatic suspension of the approval of this protocol on the expiration date.

All changes or amendments to your protocol or consent form require review and approval by the IERB before implementation

If the research, including data analysis, has been completed or, if you wish to terminate the study, please notify the IERB.

If you have any question, please contact us at ~~telephone~~ telephone no.9252401 loc.3899 or via email: [irbphc@gmail.com](mailto:irbphc@gmail.com). Please include your study title and IERB no. in all correspondence with this office.
