

PHILIPPINE HEART CENTER
East Avenue, Quezon City

M-OED-2020-084
MEMORANDUM

To : ALL CONCERNED
From : The Executive Director
Subject : PREVENTION – EXPOSURES TO PATHOGENS
Date : 16 March 2020

To prevent contamination and limit exposures to pathogens, the following measures are highly expected to all healthcare providers:

1. Smock gowns / long sleeves should NOT be worn inside the hospital premises;
2. Use of scrub suits is encouraged and identification cards (ID) should be worn inside the hospital at all times;
3. No wearing of make up;
4. Hair should be kept neat and properly tied; and
5. Accessories should be limited to a wrist watch;

For your information and compliance.

JOEL M. ABANILLA, M.D.

JMA/ICP/aic
