ICP in Action as NCR was placed under ECQ

The IATF has placed the entire NCR under ECQ from August 6-20, 2021. In response, Incident Commander, Dr. Gerardo S. Manzo spearheads the preparation for the ECQ. Regular meetings were held daily at the ICP where matters on safety protocols, hospital operations, and strategies were discussed.

HSRMC Meeting with Dr. Abanilla

The Hospital Safety and Risk Management Committee (HSRMC) held a meeting with the Executive Director, Dr. Joel M. Abanilla on Monday, August 2, 2021. They submitted a report regarding the recently concluded observance of the National Disaster Resilience Month in July 2021, which was spearheaded by the Committee and discussed safety issues and concerns.
