AUGUST 2021 · ISSUE 1 · VOLUME 20

“Stay Strong. Stay Calm. Keep Praying.”

Timely words of exhortation uttered by the PHC Incident Commander Dr. Gerardo S. Manzo reverberated reassuringly across the ICP Meeting Room Monday morning. A picture is worth a thousand words they say hence, posted here are highlights of this past week’s bulletin.

STAY STRONG. STAY CALM. PHC will keep doing its very best to take care of our patients especially our own PHC HCW and Allied staff. Let us do our part however – **STAY STRONG in PROTECTING ourselves against this virus.** Up to this moment, spot checks of units and contact tracing reveal bothersome albeit sporadic news of our Staff: not wearing the proper protective masks and face shields, eating together, not distancing and not hand-washing. The surge is real and strong adherence to health standards is a must. Stay calm and be a beacon of hope to our patients and co-workers.

KEEP PRAYING. All human efforts are in vain apart from the strength and blessing from the Lord. Keep ourselves strong and calm through the Holy Scriptures and by praying. *“For Everyone who calls on the name of the LORD will be saved.”* (Romans 10:13) Practicing His presence guards against fears *“So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.”* (Isaiah 41:10) Humbling ourselves gains His favor.
